SPLENDOUR OF THE SEAS[®] EUROPEAN CRUISETOURS

Perfect for guests that want to see more of the country and get a feel for the culture. This tour is a great opportunity for guests to extend their vacation. Local Adventure Specialists travel with guests at all times and guide them along the way. All arrangements including transfers, hotels, flights, and activities have been pre-planned and booked for guests. All hotels are centrally located and considered deluxe hotel properties. The land tours have been designed to visit destinations in the Mediterranean not visited on the cruise itinerary. All European Cruisetour products are offered pre-cruise which allows guests to arrive in the destination, get accustomed to the time change and see a bit of the region prior to boarding the ship for their cruise.
